The Institute of Chartered Secretaries and Administrators of Nigeria Study Packs have been prepared to aid students preparing for the Institute's examinations. Each Study Pack has been designed and developed by resource persons with knowledge of both theory and practice in the specific subject areas.

The packs will be of tremendous benefit not only to the students but also to practitioners who need to enhance their knowledge in the various fields covered in the series.

ICSAN is an offshoot of the international professional body with its headquarters in London and divisions and associations in Commonwealth countries. The international body was founded in 1891 and received the Royal Charter in 1902. The institute in Nigeria was established in 1944 as an associate of the international body. It was later incorporated under the Companies Act of 1968. It was granted a Charter by Act No. 19 of 1991 now CAPI 13 LFN 2004.

The institute is a member of the Corporate Secretaries International Association (CSIA), a Geneva-registered global organisation dedicated to developing and growing the study and practice of secretaryship to improve professional standards, the quality of governance practice and to improve organisational performance. The association is the global voice of corporate secretaries and governance professionals.
